

<b>Name &amp; Position</b>		
<b>Elizabeth York Co-opted Governor</b>		
<b>Who am I?</b>	<b>Why am I here?</b>	<b>What impact have I had in the last 12 months?</b>
<p>I am an ex teacher who retrained to work in ministry in the Church of England. I am also a parent to a Burton pupil so have an interest from 2 perspectives. I have helped FOBS prepare for events in school and also enjoyed spending time with the Eco club, supporting their green-fingered and artistic efforts!</p> <p>I am married to Chris and mum to three children. In a snatched moment of spare time you might find me playing the piano or trying to tidy the garden.</p>	<p>Before training full-time for ministry 2013-2015 I worked for nearly twenty years in education as a teacher; mostly in the primary sector, working in inner city Nottingham and latterly at different schools in Loughborough. I know how challenging and rewarding it is to work in education and I am committed to supporting the well-being of all staff and children at Burton school and to working with the Data team in monitoring and celebrating progress and achievement across the curriculum.</p>	<p>Over the past 12 months I have been a proactive member of the Data group. In this committee we look in detail at attainment and progress across all school years. This process of oversight ensures that every child at Burton is challenged and encouraged to be their best self.</p>
