

Victoria Wright
Parent Governor

Who am I?

Mother to two girls, Grace in EYFS and Mia who I hope to start 2023. Partner to Joshua.

I am a Qualified FE Tutor and I work with Adults with Autism and Social and Emotional Mental Health. I also run my own online gift business. Prior to this, I ran a successful Social Enterprise for 5 years before Mia was born. I also have 8 years accounting knowledge.

Why am I here?

I would hope with my Teaching and Business experience that I am able to help Burton remain an Outstanding, excellent school that it is currently recognised as. I am very passionate about personal centered learning, using a personal approach [Carl Rogers] and teaching in ways in which the learners understand.

I would like to get to understand what is required of me and where I am best situated to offer my best support and guidance to provide the best education for our children.

What impact have I had in the last 12 months?

Newly appointed parent governor.
